

PRESS-RELEASE
KYIV, 31.08.2009

The investment fund Raiffeisen Money Market has been registered in the State register of mutual funds

Raiffeisen Aval Asset Management has received the certificate from the State securities and stock market commission concerning the registration of emission of investment certificates of the open diversified mutual investment fund Raiffeisen Money Market Fund.

The activity of the new launched fund will be directed towards providing investors with the short-term liquidity of investments together with incomes by allocating money into reliable money market instruments.

Fund's assets will be invested into state and municipal bonds and also banking deposits with the maturity up to one year.

"The money market funds are one of the most popular types of investment funds in the world", - comments Vadym Mosiychuk, the CEO of Raiffeisen Aval Asset Management, - and lately their popularity has been growing due to conservative investment policy that provides investors with expected results from capital inputs. The start of Raiffeisen Money Market Fund in Ukraine should be like a signal for investors about our faith in the Ukrainian stock market and positive perspectives of it's development.

The fund's emission is 100 mln UAH, the nominal value of investment certificate – 1 000 UAH. Minimal initial investment - 100 certificates. The fund is launched for private and institutional investors. The date of distribution of Raiffeisen Money Market Fund will be notified additionally.

Additional information about company and it's products may be obtained from the company's internet-page at www.raam.com.ua.

Limited liability company Raiffeisen Aval Asset Management is a part of Raiffeisen International group. The founder and the only owner of the company is OJSC «Raiffeisen Bank Aval».

License SSMSC №430339 from 15.10.2008 to provide professional stock market activity – activity on institutional investors' assets management.
