

PRESS-RELEASE  
KYIV, 17.01.2011

## **Raiffeisen Aval Asset Management has launched mobile version of its web-site**

Official web-site of Raiffeisen Aval Asset Management [www.raam.com.ua](http://www.raam.com.ua) is now adapted for mobile phones.

The web-site has been optimized exactly for cell phones and primarily it's designed for existing and potential clients who want to trace performance of investment products of the Company.

Besides investment funds prices mobile version of the web-site also provides latest news and information on the Company's products.

"It's really very convenient service for all interested users who will be able to receive quickly information they need. When creating mobile version we tried maximally simplify data submission so it could be uploaded quickly and effectively. In frames of the project of mobile version launch we adapted for our clients and web-site visitors the pages of high priority, which they wish to see on their cells' screens", - comments Vadym Mosiychuk, the CEO of Raiffeisen Aval Asset Management.

Please, feel free to send us your proposals and preferences on improvement of mobile version of our web-site on e-mail: [office@raam.com.ua](mailto:office@raam.com.ua) .
